

Enhanced Website - www.hsa-manager.com

Starting September 1, you will access your account by clicking on the "Account Access" button found at www.hsa-manager.com. This will bring you to "My HSA Manager".

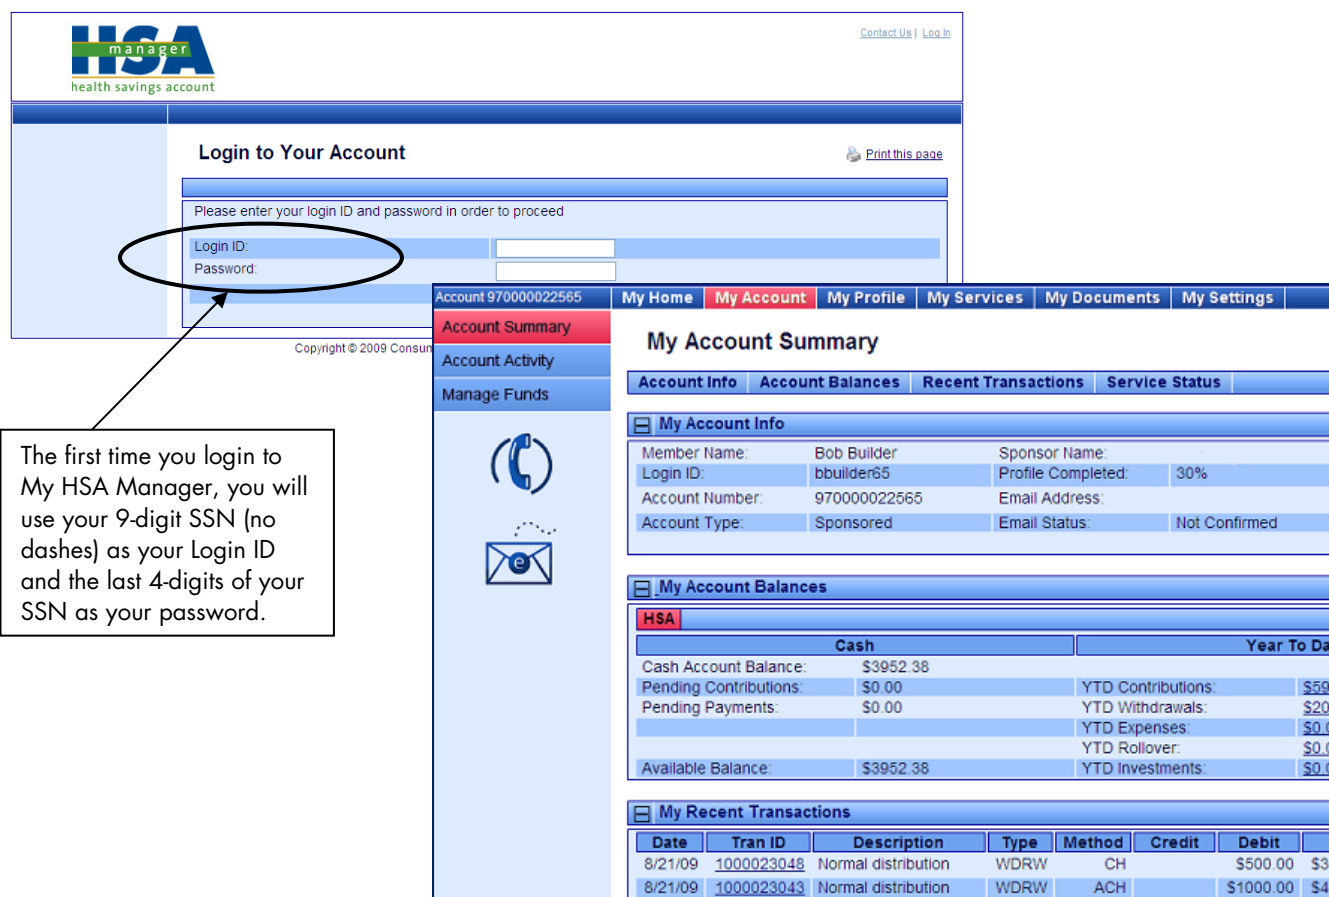

The first time you login, you will be asked to go through the enrollment process:

- 1) Enter your temporary Login ID and password as follows:

		Example
Login ID:	Full 9-digits of your SSN (no dashes)	333445678
password:	Last 4-digits of your SSN	5678

- 2) You will be prompted to authenticate yourself by creating a new Login ID and password. You will also select security questions and answers.
- 3) After completing this section, you will save your information and be prompted to login to your HSA Manager account with your new Login ID and password.
- 4) You will be asked to answer one of the security questions you selected in the initial set-up. Once you answer the question, you will be logged in to your account.

Each time you login after the initial set up, you will be asked for your Login ID, password and will be required to answer one of the security questions.

The screenshot shows the HSA Manager website interface. At the top left is the HSA manager logo. The main heading is "Login to Your Account" with a "Print this page" link. Below the heading is a form with the instruction "Please enter your login ID and password in order to proceed". The "Login ID:" and "Password:" fields are circled in black. A callout box points to these fields with the text: "The first time you login to My HSA Manager, you will use your 9-digit SSN (no dashes) as your Login ID and the last 4-digits of your SSN as your password." Below the login form is a navigation menu with tabs: "Account 97000022565", "My Home", "My Account", "My Profile", "My Services", "My Documents", and "My Settings". The "My Account" tab is selected, showing the "My Account Summary" page. The summary includes sections for "My Account Info", "My Account Balances", and "My Recent Transactions".
